Mr. David Capuano
Natural Glass Corvette Association
P.O. Box 2753
Oak Ridge, NJ 07438

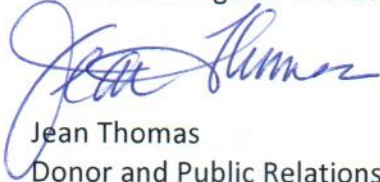

Dear Mr. Capuano:

Thank you so much for the Natural Glass Corvette Association's gift of \$1,200.00 to The Seeing Eye. Your support helps people who are blind turn obstacles into victories and Seeing Eye® dogs into partners in life's triumphs. We are pleased to welcome you to the Jack Humphrey Society, and are most grateful for your generosity. Jack Humphrey was the first trainer of Seeing Eye dogs. His extraordinary work continues to have an impact on how we train Seeing Eye dogs today.

The impact that Seeing Eye dog partnerships have on our graduates' lives is meaningful and long lasting. One graduate recently wrote a truly heartfelt letter, "I believe you have a good understanding of how you all impact our lives, but it goes so much deeper. Every time I look at my dog, touch her, feel her energy through the harness, I think of all of you and your dedication to excellence. I will always have fond memories of my training at The Seeing Eye." You make this possible.

We are touched by your support for The Seeing Eye. We couldn't do this important work without you!

With warm regards and deep appreciation,

Jean Thomas
