Dear Natural Glass Corvette Assoc.,

Thank you for your donation of \$1,800.00 to Help Hope Live in honor of Melissa and Andrew Bishop received on 12/4/2018. Your gift provides assistance to people who need it most in a meaningful and tangible way.

Last year, with the nationwide support of community volunteers, Help Hope Live raised funds to assist more than 1,700 clients with lifesaving and life-changing medical services. Your generosity is appreciated by clients and families near and far.

It is Help Hope Live's **mission** to support community-based fundraising for people with unmet medical and related expenses due to cell and organ transplants or catastrophic injuries and illnesses. On average, **94%** of all funds raised in honor of clients are used for medically related expenses. Help Hope Live provides fiscal accountability to ensure all gifts are used for financially and otherwise eligible beneficiaries.

Help Hope Live disburses grants to financially-needy individuals who have been approved to receive support for help with medical and related expenses.

All donations are to Help Hope Live to carry out our mission, and Help Hope Live has full control and discretion over all funds received.

Again, we thank you for raising **hope and funds** in honor of those who need it most.

Sincerely,

Kelly L. Green  
Executive Director
